CFAS Overview

The Gates Fire District's Citizens Fire Academy Seminar (CFAS) is a free program designed to inform our citizens about the services provided by their fire department. The CFAS is open to individuals, 18 years of age or older, who reside in the Gates Fire District. The CFAS gives fire department personnel an opportunity to welcome residents into the firehouse and introduce them to the unique ways we serve our community.

Through trainings and demonstrations, participants are given an inside look at the life of a Gates Firefighter.

2023 CFAS Schedule

The day will consist of the following:

- CPR Training
- Stop-The-Bleed Training
- Narcan Training
- Kitchen Fire Safety
- Fire Extinguisher Training
- Technical Rescue Demonstration
- Auto Extrication Demonstration
- Overview of Gates Fire District Operations

Our Mission

The Gates Fire District is an emergency services organization which provides fire, rescue and emergency medical services to a diverse community. We are committed to the preservation of life, property and the environment. Through education, training and public awareness, we will enhance the quality of life and the safety of the citizens we proudly serve.
